PRINCIPAL'S MESSAGE

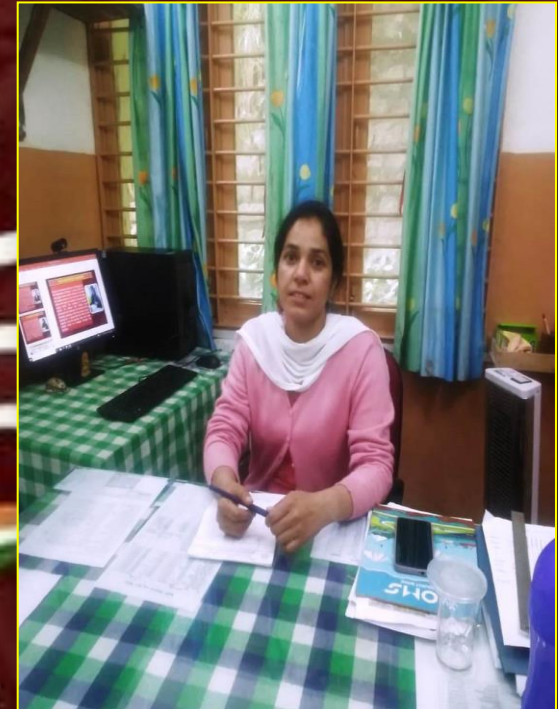

Creative seeing what everyone has seen and thinking what no one else thought, rightly said by Albert Einstein. I am overwhelmed with immense joy as the Primary department of our school is about to publish the first Newsletter for April to June, 2023. It is the result of indomitable determination shown by a group of devoted teachers and students. As education is an attempt to nurture the child into the better human being, its highly important to provide a platform to express their views and thoughts.

This Newsletter named **Uttamansh** gives wings to the imagination of tiny tots.

HEAD MISTRESS'S MESSAGE

It gives me immense pleasure in bringing out the Newsletter of April to June 2023. Its once again proven that nothing can hinder the hidden talent of our tiny tots. We have witnessed the best of creativity emerging from young minds. The students of primary section KV Jakhoo Hills, Shimla have portrayed their outbursts in the form of their drawings, painting, craft work, dance, music, reading etc. I congratulate the effort of the students and the guiding hands who have helped them to navigate through the creation.
